MINISTRY OF JUSTICE (MOJ) PORTAL CLAIMS AND THE DUTIES OWED BY THE INSURED

The MOJ reforms are now in effect and apply to the majority of Employers' and Public Liability claims arising in England and Wales. Principally these reforms set out a strict timetable for the acknowledgement and handling of claims. If the timetable is breached the costs charged by the claimant's legal representative will increase. As a result prompt reporting of incidents which may give rise to a claim and/or actual claims is vital to ensure investigations can be made in a timely fashion and to keep claim costs to a minimum.

Here is what to do if **YOU** receive a letter of claim or Claims Notification Form (CNF) from the claimant and/or claimant representative

If **You** receive a letter of claim or Claims Notification Form (CNF) direct from the claimant and/or claimant legal representative, do not admit liability and simply acknowledge receipt of the communication. The acknowledgement must be via an electronic format (e-mail is preferred) and within 24 hours from the date of the letter or CNF. In the acknowledgement please advise **your Insurer(s)** is Syndicate DTW1991 at Lloyd's and their correspondence has been sent to Woodgate and Clark who are our Appointed Claims Administrator.

After acknowledging the claimant representative please send all correspondence immediately to Woodgate & Clark remembering to quote **your** Policy number and name as shown on the **Schedule**. Please note **Your** failure to immediately report a claim or circumstance which may give rise to a claim or to provide our appointed Claims Administrator with full cooperation could result in the support from this **Policy** being withdrawn.

We also remind **you** of **your** obligations under the Health and Safety at Work Act 1974 to protect the health safety and welfare of **your** Employees which includes:-

- Workplace risk assessments.
- Full and effective training.
